Our Alma Mater

Here sing we to James Blair,
Whose ideals guide us;
Love, truth, and faithfulness
In all the years we share.
So we hail;
The Blue, the White, the Gold.

All through our way of life
We shall remember thee,
Recall the happy days
We spent at James Blair High.
Hail, James Blair!
All hail to thee, James Blair.

Foreword

As the school year of 1958-59 draws to a close, we, the yearbook staff, bring back in the Bee Hive those experiences that have made this year a profitable and memorable one.

This year for the first time, the Bee Hive staff is composed of underclassmen as well as seniors. The purpose of this new arrangement is to create the feeling that this yearbook belongs to the entire student body, rather than to the senior class alone.

As the constitution of the United States begins with "We the people," let our Bee Hive begin with "We the students" - Each of us one small part of the whole, all contributing to making our days at James Blair ones that we will want to remember.

Dedication

We, the class of '59, dedicate this our yearbook to Mr. Sameul Patton. As our coach he instilled in us a finer school spirit and encouraged us to support our athletic team. He was always interested in the student body and ready to help us in any of our various activities. In addition to his work as coach he spear-headed the drive to obtain lights for our athletic field. He also was a director of the Youth Center.

Although Coach Patton is no longer at James Blair we still feel his influence and this dedication is an expression of our appreciation to him.

Grace -

Memories, memories, memories - that's all we seem to think about when signing yearbooks. And we certainly have plenty - H. Y., Carnival, study hall, to mention a few. You have my very wishes for a happy time at West Huntington. A great time to share it with you! Shall see you this summer.

The annual Sadie Hawkins Dance follows the Sadie Hawkins Day race in which the James Blair bachelors are caught by the lovely James Blair girls. At the dance some of the Dogpatch characters were portrayed by juniors. One of these was Marrin' Sam who married all those hicky boys caught during the Sadie Hawkins Season.

Miss Eunice Hall

The Bee Hive takes this opportunity to pay tribute to Miss Eunice Hall. Miss Hall has been coordinator of the Junior High school and sponsor for the Junior S. C. A. She has devoted many years to the Williamsburg-James City County Schools and through her wise counselling has inspired countless students to continue their studies and pursue the courses for which they are best fitted. Her interesting classes have stimulated her students to further activity in seeking extra material beyond regular class work. Miss Hall has sponsored many civic activities including community council and the Youth Center. She is a member of the James Blair faculty who will be long remembered.

GOLLY ! GREAT DAY ! Well - if in September you'd told me all this - I wouldn't believe it ! Cackle - it's been fabulous knowing you - even if it's only been a few months & memories of New York & "ran all the way home" - PLANETARIUM ? WEEKEND AT YORKTOWN - MOVIES - RICHMOND - GREENTOWN -
golly-golly-golly-golly-G-O-L-L-Y!
Well - I can truly say you're the ONLY friend I have in the world ! But it's funny to be an individual - "made one" ? ?
Have a fabulous summer. And all see ya this summer. Deal ?
We're not gonna lose !
Cause they're gonna descend from the Ivory Tower.
Be good - Love ya, GALE

A. F. S. originated in 1914 when a group of Americans in Paris formed an ambulance service, which during World War I, carried more than 500,000 wounded. In 1939, the A. F. S. was re-activated to serve in the second war. After the war, the international scholarship program was founded to further extend the A. F. S. tradition of world understanding and service.

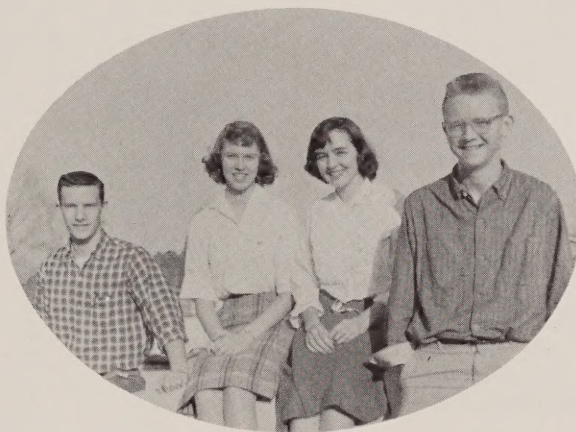

Foreign students from twenty-three countries spend a year in American homes. A. F. S. also sends American students abroad on the summer exchange student program. Teenagers 16 to 17 years of age and juniors in high school are eligible to apply. A summer adventure abroad opens doors to new horizons, knowledge, understanding, and peace. Perhaps the greatest of these is peace as expressed in the A. F. S. motto - "Walk together, talk together, O ye peoples of the earth; then and only then shall ye have peace."

Boys' and Girls' State

Betty Jo Cowles, Ronnie Stewart, Bill Bowry, Betty Hargrave. Absent George Lunger.

Girls' State and Boys' State were held July 13-19, 1958 on the V. P. I. Campus. Two girls and three boys from James Blair traveled to Blacksburg, Virginia where they met students from other schools in Virginia. They set up miniature governments with elected officials. They learned more about governing so that they would be able to take back to their schools better ways of executing their student governments.

The National Honor Society is given no special jobs. The members decide each year what their projects will be. It has been the custom during recent years for the members to tutor students who need help with their studies. This was continued this year.

The members of the Honor Society are selected by the faculty on the basis of their character, scholarship, leadership, and service. At the end of each term new members, selected from the Junior and Senior Classes, are tapped.

The James Blair Band, conducted by Mr. McCandless meets every day at first period. It is a regular class and participants receive credit for band as they would in any other class. The band plays at our football games and also in various parades. One of their most important activities is a concert which they perform in the Spring. The Majorettes led by Alice White add color to all the performances of the band.

Sports Day

Two Blair girls try their luck and skill at a game of Horseshoes.

Sports day at Blair brings team spirit and keen competition between the blue, white and gold teams.

Softball is one of the favorite attractions for players and spectators alike.

Mr. Pitts and the student body take time out to watch the seventh grade program.

The high jumps are hard to make. Better luck next time!

Edna Millirons high jumps before a crowd of onlookers.

On the afternoon of Sports Day the Seventh grade girls perform a colorful May Pole Dance.

Seventh graders in Colonial Dress await their chance to entertain the faculty and students.

One couple is ready to begin the minuet.

The Minuet displays dancing that was enjoyed during Colonial times in Virginia.

Graduation

Shepherd Lewis receives the Abby Aldrich Rockefeller Scholarship from Mr. Rawls Byrd, Superintendent of schools. The scholarship is presented annually to an outstanding member of the Senior Class.

The Senior Class creates the Graduation exercises on the last day of school for the student body.

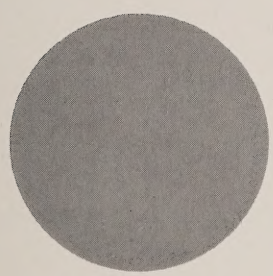

As the music played, the Seniors marched into the gym for graduation exercises on the last day of school.

Members of class return to their seats after finishing procession.

Mr. Pitts, Principal, congratulates Seniors on their many accomplishments through the past years.

Letter from the Editor

As the retiring editor of the 1959 Bee Hive, I extend my congratulations to the Juniors and the best of luck in their Senior year.

To the Sophomore Class, my heartiest congratulations for reaching the goal of an upperclassman.

To the Freshmen, who will be next year's Sophomores... Keep plugging; you'll make it yet.

And to the rising underclassmen, who will someday become our leaders... Good Luck.

To those who are graduating and will be entering into new and different fields, may your life be filled with joy, happiness and success.

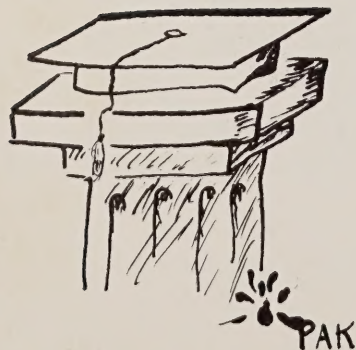

To the faculty, thank you for your faithfulness and devotedness in guiding us into the things that are right.

To Mr. Pitts, our principal, compliments and words could never be adequate for what you have done.

Now, as the year draws to a close, I wish to take this opportunity on behalf of the yearbook staff and the Senior class to thank all those concerned with the making of your yearbook. We hope that as you look through it you will find many happy memories of the past, to carry into the future. May the ideals and honors which you learned here at James Blair guide you as you enter the paths of Adulthood.
